Mobile Remote Deposit Capture

## INTRODUCTION

With Mobile Remote Deposit Capture, you may make deposits **anytime, anywhere** over a secured connection to the Bank. Prepare your deposit (one check per deposit), endorse your check, take a picture of the check with your mobile device (front and back), validate information, and transmit.

### MOBILE DEVICE REQUIREMENTS

You must have the following mobile device platform:

- Android version 7 or higher
- IOS version 8 or higher

---

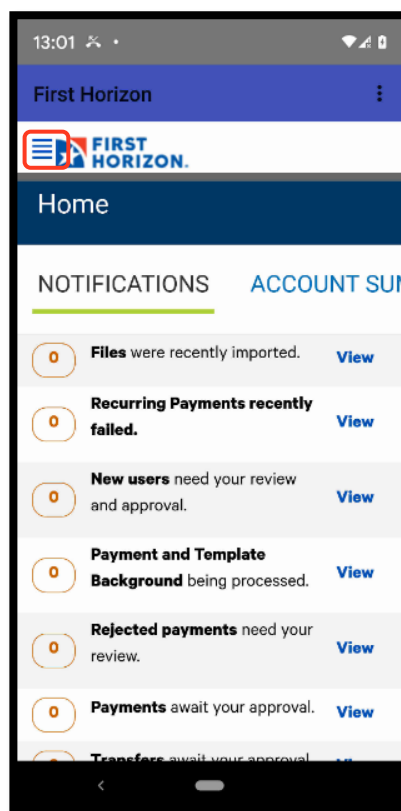

### NOTE

The format and messages may vary slightly on your device; however, the functionality is the same as depicted here.

---

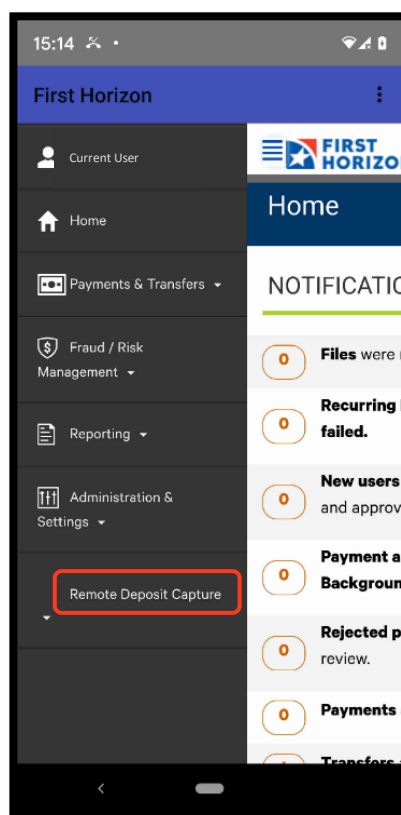

### MAKE A DEPOSIT
