Audit Information

## AUDIT INFORMATION

The **Audit Information** widget supplies a variety of information for your company, allowing you to filter the information that appears, as well as export and print the information.

### Note

Only product, function, type, action modes, and entry methods with corresponding audit entries are available for selection.

### Selecting and displaying audit information:

1. Select **Audit Information** from the **Administration & Settings** menu.

The system displays the **Audit Information** widget.

2. In the **Date/Time**, **Product Code**, **Function Code**, **Type Code**, **Action Mode**, **Entry Method** and **User** fields select the type of audit records you want to search for. You can select a single field or multiple fields. For example:
  - To return all the available audit records for **ACH**, select **ACH** from the **Product Code** list.
  - To return all audit records for April 4, 2019, for Jane Smith, select:
    - **04/04/2019** from the **Date/Time** field
    - **Jane Smith** from the User list.
  - To return all audit records for approved loan payments created from a template, select all of the following:
    - **Loans - Payments** from the **Function Code** list.
    - **Approve** from the **Action Mode** list.
    - **Template** from the **Entry Method** list.
3. Click **Search**.

The relevant audit information appears at the bottom of the screen.
